

Activities to support

learning at home

- ◆ Counting out and sharing items
- ◆ Practise the days of the week—today, tomorrow and yesterday
- ◆ Know months of the year-how many months until Christmas? Your Birthday?
- ◆ Use bus and train timetables to plan a trip.
- ◆ Use TV listing to look at lengths of programmes.
- ◆ Use of timers and clocks when cooking
- ◆ Practise reading digital and analogue clocks to nearest 5 minutes.
- ◆ Point out 24 hour times and look at AM and PM
- ◆ Associate times of day with certain activities—breakfast, leaving for school, bed time etc
- ◆ Be aware of world time differences—use smartphone and internet to find out what time it is in other countries

Also don't forget to use Sumdog and MyMaths!
