

Activities to support learning

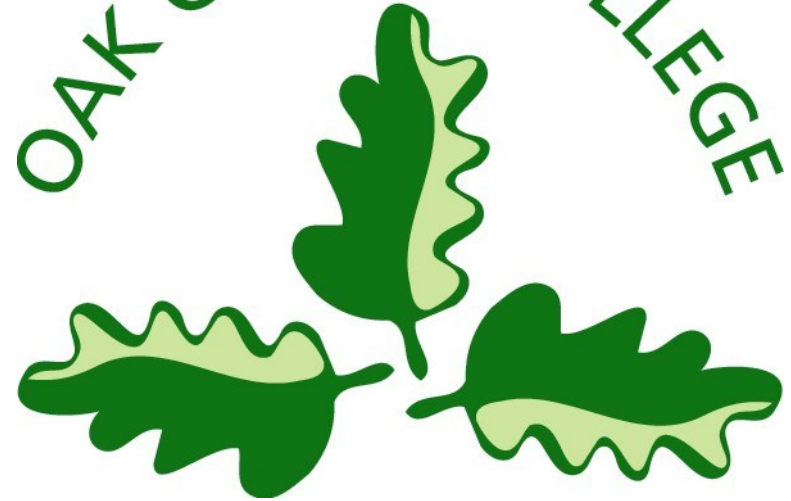

Activities to support learning:
Collect leaflets and maps from our local area.

Share maps used for journeys made...by foot,
by car, by train ...

Talk about and remember details from the
journey to and from OGC.

OAK GROVE COLLEGE

"Everyone matters, every day counts"

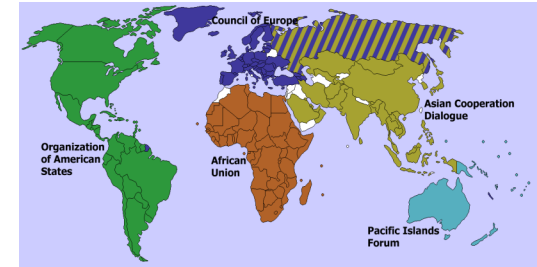

Humanities Department

Year 7

Autumn Term 1 Planner

Year 7 will be studying:

Our local environment

In this unit of work the students will be learning about our local environment and how we fit into the wider world. We will look at how we can improve explanations of where we live, explore a range of maps and begin to discuss improvements which can be made.

Key skills:

To express own views about people, places and environments.

To identify features of a place

Literacy and Numeracy Across the Curriculum

Opportunities for cross-curricular links in these key skill areas will be made

Language:

Map
Key
Environment
Location
Ocean
Continent
Country

Key competencies:

I am aware of my local community.
I know how to behave in the community.
