

In Pokémon X and Y, a new feature known as **Pokémon-Amie** PokéParler *Pokeparure* in Japan is added that allows players to more directly interact with Pokémon to foster the friendship.

Pokémon

Pokémon came out in 1998 on Gameboy. Pokémon was the brainchild of a Japanese man named Satoshi Tajiki, born August 28th, 1965. As a child, Tajiki was fascinated with insects, and loved to hunt and collect different species of them, as well as devise new methods to attract them. Pokémon was Released in Japan.

The Pokémon TCG and Video Game Regional Championships are high-level events that award big Championship Points towards players' World Championships invitation levels.
