

Activities to support

learning at home

- ◆ Counting out and sharing items
- ◆ Bake cakes and measure out ingredients
- ◆ Create smoothies
- ◆ In shops, encourage looking at the grams, kilograms, millilitres and litres on packaging
- ◆ Look at doubling amounts of ingredients to make more
- ◆ Practise the days of the week—today, tomorrow and yesterday
- ◆ Use bus and train timetables to plan a trip.
- ◆ Use TV listing to look at lengths of programmes.
- ◆ Use of timers and clocks when cooking
- ◆ Associate times of day with certain activities—breakfast, leaving for school, bed time etc

Also don't forget to use Sumdog and MyMaths!
