

Year 10 Northbrook MET Transition course

Course overview:

One day a week studying at two of Northbrook College's campuses to prepare for transition to full time college provision. You will be part of the college community and learn vital skills needed to prepare for adulthood.

Class size will be small and support will be provided in lessons and at break/lunch times.

The course:

- Travel training in the morning
- Sport and Fitness in the afternoon
- Catering and Hospitality in the afternoon
