

Year 11 Northbrook MET Transition course

Course overview:

One day a week studying at the Broadwater Campus to prepare for transition to potential full time college provision. You will be part of the college community and learn vital skills needed to prepare for adulthood and college life.

Class size will be small and support will be provided in lessons and at break/lunch times.

The course:

- Health and Safety
- Food safety and hygiene
- Personal safety and self-awareness
- Basic first aid
- Sport, Leisure and Fitness
- Manual handling
