To Parents / Carers

27 April 2018

Dear Parent / Carer,

I write with the very sad news of the death of a student from Oak Grove College.

Lara in 13CN passed away on Tuesday morning at Great Ormond Street Hospital. As a year 13 student, she had been at Oak Grove College for seven years. She was a positive, engaged, polite student who loved taking part in many of the productions. She was great at working in the café and gave everyone a wonderful bright smile when talking to them. She was a pleasure to work with and to have in the college.

The staff team will be able to support students who may require it. It will impact on all of the student and staff teams in different ways. This is normal.

If any family wishes to discuss the support that has been or can be provided to students, please contact their form tutor, Pastoral Leader or me.

Our best wishes, thoughts and prayers are with the family at this difficult time.

Yours sincerely,

Phillip Potter  
Headteacher
