To Parents / Carers

Dear Parent/Carer,

I am writing to make you aware that we are now a NUT FREE SCHOOL.

We have students in school who have a severe allergic reaction to peanuts/nuts. This allergic reaction (anaphylactic shock) can occur through ingestion of peanut/nut products, cross contamination and breathing peanuts in the air.

Since this condition can be life threatening, we are asking for your help in minimising the risk to these students by:

- a) Avoiding giving your child peanuts in school lunches
- b) Avoiding giving peanut butter sandwiches, other spreads containing nuts such as Nutella and snacks/bars containing nuts or labelled "may contain nut traces" in school lunches.

Due to the severity of the problem, it is important that all parents carry out the suggested measures to support us in reducing the risk of allergic reaction to these students. If throughout the course of the year you have any questions or concerns about food-allergy-related issues, please do not hesitate to contact us.

Wishing you and your family a safe and healthy school year.

We thank you for your co-operation.

Yours sincerely,

Phillip Potter
Headteacher
